

DT- EASTER CHALLENGE

1.

Get creative

Take a used item e.g. a toilet roll tube or an empty pop bottle.
Give it another use.

The more creative and useful idea, the better.

Photograph or video your creation in use.

2.

Home Study

Sketch and idea that would make studying from home easier.

Add colour and notes to explain your idea fully.

Take a photograph of your design to send us.

3.

Rhyme time

Write a song, rap or poem about Design technology.

Don't forget to include that I am your favourite teacher!!!

Email the lyrics or send us a video of you performing it.

4.

Don't touch

Make a prototype tool that would help people to open doors without touching the handle.

Take a photograph of your design to send us.

Pick 1 challenge!

Share your work with us.
