

'Helping EVERY person achieve things they never thought they could'

THE BIG 10... to promote great learning in a lesson!

NON-NEGOTIABLES

1	WALT - Clearly tell students What they are LEARNING and display this at all times
2	CONNECT & ENGAGE!! - Help students make CONNECTIONS to PRIOR LEARNING so they see the BIG PICTURE . Hook them in!!
3	THE GOLD STANDARD.... Show students What Success Looks Like... (WAGOLL) model what you want to see so students can evaluate their own and others progress... i.e. they know how to improve.
4	KEYWORDS are shared and defined and literacy barriers are broken through a range of strategies. ALL extended writing must be PROOF CHECKED by students
5	CHALLENGE students to THINK... They use resources INDEPENDENTLY to solve problems. – Individually , In Pairs or in Groups
6	AfL is regular, timely and helps students learn. Check students KNOW what you have taught them throughout the lesson.
7	Give FEEDBACK... Ensure students receive feedback in a form that has the GREATEST IMPACT! RESPOND to FEEDBACK... Be ready to change and adapt the lesson and sequence of lessons if necessary.
8	Give CLEAR INSTRUCTIONS so ALL students understand what they need to do.
9	QUESTIONS challenge students to THINK and encourage students to ask questions of themselves, others and the teacher.
10	Use a VARIETY of activities to keep students engaged in learning
