

REMOTE LEARNING WEEKLY CURRICULUM PLANNER - Photography					
Week Beginning: 20/4/20					
	Monday	Tuesday	Wednesday 12.30pm-3.00pm	Thursday	Friday
Y10APo1			<p>Please continue to document and edit your Lock down photographic diary again this week.</p> <p>This summer term we are going to start a new project which you can all do at home whilst in lockdown. This will count as part of your coursework and is compulsory. The project was used as an optional Easter activity for any student to do. AS GCSE PHOTOGRAPHY STUDENTS, YOU HAVE TO COMPLETE THE WEEKLY TASKS FOR THIS PROJECT.</p> <p>Read the PowerPoint attached which explains what you have to do. I expect you to submit to the Lockdown Photo Diary assignments here in Google Classroom a MINIMUM of two photos each week with a diary style written piece to go with each shot, presented in whatever format you like - it doesn't have to be in a PowerPoint. You could upload your photos here and type in your diary entry in the comments.</p> <p>I know there are some of you who have already started this, so you are already weeks ahead! Just upload you work here.</p>		

			<p>Mr Cordwell will be doing the project with you each week and have submitted two photos below in SCO DIARY...</p> <p>Good luck and I look forward to your photography</p> <p>Google classroom code x4naacx</p>
