

REMOTE LEARNING WEEKLY CURRICULUM PLANNER - ART

Week Beginning:
20/4/20

Year 7

Produce a detailed foot or handprint inspired by the patterns, lines and shapes within Hundertwassers work. It must reflect the aesthetic qualities shown in his work.

Look at the examples shown on Google Classroom of his work to help you or research more from the internet.

Apply colour to your foot or handprint. You can use what colours you have at home in any art medium you have such as coloured pencils, crayons, paint (these can be mixed) or digital if you are able to do that.

Please upload your image as an attachment so that this can be comment marked.

See examples on Google classroom.
