Home Learning Year 9

The Musical Periods

Your tasks for this week are found on your google classroom (Code shown below).

You will have access to a google slides document which has information about the different periods of music. There is no need to watch every minute of all the videos, just enough for you to understand the sounds of the different periods.

Once you have followed the powerpoint through **and made notes**, complete the google forms quiz and make sure you hand in.

This can be found in your google classroom assignment for the week and also on your school email. The code for your google classroom is **n2qz4pu**.

Thanks

Mr Poole
