Home Learning Year 8

Civil Rights Movement and Protest Songs

For this weeks lesson I have prepared a Powerpoint based around the 'Black Lives Matter' campaign looking at the Civil Rights movement and the use of Protest Songs. Pupils are to watch the slideshow (attached in google classroom) and answer questions on paper as they go through. Once finished there is a short quiz to take in google forms to check their learning. Both the powerpoint and the google form are attached to their google classroom.

Thanks

Mr Poole and Mr Cornish
