

**REMOTE LEARNING WEEKLY CURRICULUM PLANNER - ART**

Week Beginning:  
22/6/20

**WALT:** Learning how to research an artist independently.  
Research an artist who uses Day of the Dead themes in their work. This is your opportunity to explore an artist of your choice. This independent research will help you develop your own ideas when it comes to designing a final piece.  
You must include, information about the artist, images of their work, and an explanation of why you have chosen to study this artist. If you can't find an artist, then you could look at the work of Jose Guadalupe Posada, Christopher Beikmann, Nicolas de Jesus.  
  
Please upload your work as an attachment so that this can be comment marked.
