

REMOTE LEARNING WEEKLY CURRICULUM PLANNER - ART

Week Beginning:
29/6/20

Year 7

WALT: Learning about Zentangle tiles to develop a design. Your fourth page of your mindfulness colouring book will be a tile pattern design. Zentangles are often drawn onto square pieces of paper and then put together to make a mosaic. A mosaic is a picture or pattern produced by arranging together small pieces.

Divide your page into equal squares (using a ruler!) and draw a different Zentangle pattern in each of them to create your mosaic.

Remember: your design should be in **black and white** and designed so that someone will enjoy colouring it in!

Look at the attached WAGOLs for inspiration or watch the demo video to see an example being created!

Please upload your image as an attachment so that this can be comment marked.

See example on Google classroom.
