Remote Learning Summer Quiz 2020

The Music department is throwing down the challenge to see who can get the top scores on our Summer Remote Learning Quiz for 2020. The quiz recaps several topics from the remote learning tasks pupils have been set since March. The link to the quiz can be found on their google classroom or here: <https://forms.gle/dexPZwrHBkPavZQV6>

There is no time limit to complete the test, but you do only get one go so make those answers count.

Good Luck 😊
