

KS4 Computer Science	Working From Home Week Beginning 07/09/2020	
Class	Task/Topic	Where can I find the resources?
	Lesson 1	
Year 10 Computer Science EGI	WALT: Revise the key information surrounding networking in computer science. Complete the learning map using your own knowledge or the internet to support. There will be a quiz next week on everything about networking!	All resources can be found in the Year 10 GCSE Computer Science class online. All pupils already have access to this class.
