Teaching priorities for current academic year

Measure	Activity
Priority 1	Embedding 'LL Reading Routes' In Year 7 to 8 and wider reading strategies across the school
Priority 2	Embedding low stakes quizzes and feedback and follow up strategies across the school
Barriers to learning these priorities address	The vocabulary gap, low reading ages and low engagement rates in reading from disadvantaged students. Promoting independent learning skills from disadvantaged students in preparation for Low Stakes quizzes
Projected spending	£15,000 on LL Reading Routes and related reading strategies (with additional staffing costs)

Targeted academic support for current academic year

Measure	Activity
Priority 1	Establish robust Assertive Mentoring / Remote Learning mentor programmes for all disadvantaged students to ensure engagement and effort scores remain high whether working face to face or remotely
Priority 2	Establish a 'College Ready' programme for current Year 11 disadvantaged students to ensure the implications of lockdowns do not have a detrimental impact on students' life chances. (Includes Apprenticeships and employment opportunities)
Barriers to learning these priorities address	A lack of self belief, low self esteem and aspiration, life experiences
Projected spending	£30,000 (with additional staffing costs)

Wider strategies for current academic year

Measure	Activity
Priority 1	Increasing attendance of disadvantaged students across the school with specific focus on current Year 10
Priority 2	Increase the numbers of disadvantaged students making the PRAISE list every two weeks
Barriers to learning these priorities address	Attendance and effort of disadvantaged students
Projected spending	£5,000 (with additional staffing costs)
