Little Lever School was one of the most improved schools in the country and our outcomes remain in the top 100 schools nationally for similar schools. Our school was graded Good by OfSTED in March 2022 and has continued to move forward at pace. We are a Teach First partner school and support schools from across the North West in a range of areas. The systems and structures we have established, our clear expectations and relentless focus on our praise culture, routines and behaviour have created a positive environment where students can learn, and teachers can teach.

This is an exciting time to join Little Lever as we look to expand, providing the best educational experiences for more pupils. Our ambition is to become 'the best in class'. We put students at the heart of our thinking and we continue to help every person achieve things they never thought they could!

This is an exciting opportunity for an energetic individual with a real passion for students' welfare, to monitor and improve attendance systems within school. Working with the internal deep support team they will create/implement attendance strategies across school to ensure greater engagement by all pupils. We are looking for someone who is determined to make a difference to the lives of young people.
